

# 22ND INTERNATIONAL SOCIETY FOR MUSIC INFORMATION RETRIEVAL CONFERENCE

## CALL FOR LATE-BREAKING DEMO CONTRIBUTIONS

LBD session is a forum for sharing prototype systems, initial concepts, and early results which have not yet fully matured but are of interest to the Music-IR community. It is also a great entry point for people who are new to ISMIR to showcase their preliminary work and receive early feedback from fellow researchers. In addition to the standard LBD track, we are happy to announce a **special opt-in track** to support and encourage people **who are attending ISMIR for the first time**. This track includes a mentoring process that provides constructive feedback to the authors.

### ★ SPECIAL OPT-IN TRACK: NEW-TO-ISMIR ★

**Mentoring process:** all submissions under this special track will be mentored by volunteers in the ISMIR community, providing the authors with constructive feedback for potential improvements in their camera-ready versions.

**Financial support:** to qualify for this track, the first author must be a first-time attendee of ISMIR. Participants who satisfy one or more of the following criteria may also be eligible for financial aid:

**Enrolled Students  
(2020-2021/2021-2022)**

**WiMIR Workshop/Mentorship  
Program Participants/Mentees**

**Underrepresented  
Minority**

### TOPICS OF INTEREST

The late-breaking/demo session welcomes topics interesting to the MIR community, as specified in the main [call for papers](#), with a special focus on prototype systems, initial concepts, and early results.

We encourage the following types of submissions:

**MIR-focused  
school projects**

**Proof of concepts for  
new MIR methods**

**Case-studies  
involving MIR**

### IMPORTANT DATES

ANYWHERE ON EARTH (AOE)

Submission Open	August 20, 2021
